Festival Guidelines for North Garden City

Preamble:

The resident members of North Garden City who are members of Atria CHS Ltd. Estella CHS Ltd., Ellara CHS Ltd. Euphoria CHS Ltd. & Alexa CHS Ltd., recognize the importance of fostering a sense of community spirit, inclusivity, and celebration within our neighborhood. Festivals serve as opportunities for residents to come together, build bonds, and create lasting memories. These guidelines aim to establish a framework for organizing festivals within our Complex, ensuring that events are conducted safely, responsibly, and in accordance with community values and regulations.

Scope:

These festival guidelines shall apply to all resident members, visitors, and organizers involved in planning, coordinating, and participating in festivals hosted within North Garden City. No outsider shall be permitted to organize or coordinate in planning of such festival celebrations. The guidelines encompass various aspects of festival management, including event planning, safety measures, conduct, and enforcement. They serve as a roadmap for creating enjoyable and inclusive festival experiences that enhance the quality of life for all members of the community.

Definition:

Festival: A celebration or event organized within North Garden City to commemorate cultural, religious, or seasonal occasions, fostering community engagement and Mostly Sarvajanik in other words commonly celebrated by all Resident Members together & open to and intended for the general public subject to approvals from authorities.

Legal Framework:

The festival guidelines are established under the authority of the North Garden City or any other governing body designated for community management. They operate within the framework of local laws, regulations, and ordinances governing public events, safety standards, noise levels, and

environmental protection. Compliance with these regulations is mandatory for all festival organizers and participants.

General Provisions:

1. **Approval Process:** All festivals (based on the above **definition**) must receive prior written approval from the Apex Body of North Garden City being the designated authority. Organizers are required to submit event proposals outlining details of such as date, time, location, proposed activities, and safety measures through the respective Societies of which they are members. Such application shall be made one month prior to the date of the festival celebration. In the event of there being any defect in the application or any further information is required, in that event, the Organizers will be informed within 15 days of the receipt of the application. If such defect and/or further information is not provided by the Organizers, in that event, the application shall be deemed to be rejected.
2. The open areas in the layout may be permitted for such celebrations / activities, which in the opinion of the Federation does not create any nuisance or foster any rivalry between groups or is likely to cause breach of public peace or discipline.
3. The Apex Body & or Sub-committee will review the request in accordance with established criteria, including compliance with community rules, society bylaw & resolution of Apex societies, safety considerations, potential impact on residents, and availability of resources.
4. Approval or denial (based on point 3) of festival requests will be communicated to the organizers in a timely manner, namely within 21 days of the receipt of application which is complete in all respects along with answers to the queries along with any conditions or restrictions imposed. Such approval shall be a preliminary approval subject to obtaining necessary permits, licenses and permissions from the relevant authorities. On receipt of necessary permits, licenses and permissions from the relevant authorities, a final approval shall be granted.
5. **Permits and Licenses:** Organizers are responsible for obtaining necessary permits, licenses, and permissions from relevant authorities for activities such as amplified music, food service, temporary structures, failing which the approval granted shall be deemed to be rejected.
